Plagiarism is the stealing of intellectual property. An assignment that reflects plagiarism will be awarded a mark of zero (0%). If plagiarism is uncovered after marking, the mark will be revoked and zero (0%) will be awarded, irrespective of the consequences this may have for the student. Extensive plagiarism may lead to disciplinary action against the student, possibly resulting in suspension, expulsion or de-registration. Do not copy and paste material from the internet onto assignments as it easy to spot changes in vocabulary or linguistics.

I have familiarised myself with the meaning of plagiarism and am aware of the consequences of committing plagiarism. I declare that the text and bibliography of this paper reflects the sources I have consulted and the sections with no source references are my own ideas, arguments and / or conclusions.
