

By obtaining this qualification at the North-West University (NWU) you will accelerate your career and improve your effectiveness and efficiency in the classroom.

The North-West University:

is one of a few worldwide universities that has a strong contact-, as well as a distance learning mode of delivery;

is an internationally recognised university with an international student body from at least **68 countries**;

is the third largest university in South Africa with more than **54 000 students**;

has some of the best academic support programmes in Africa resulting in a **success rate of 92,9%** by our students; and

is one of the best tertiary education institutions for education towards a professional career according to the **2022** rankings by the **Times Higher Education (THE) World Rankings**.

Teacher Education at the North-West University has had a proud history **since 1919**, and the Faculty of Education is now the largest provider of contact and distance learning in South Africa. The fact that so many teachers choose to upgrade their professional qualifications with us, and that so many prospective students apply for entry to the BEd and our other programmes says something. We think it says something about...

The **quality of the work** done in our programmes (grounded, professional, critical and academic);

The **attention paid to students** by our staff in regards to our study guidance and assistance (dedicated, caring, professional academics and administrators);

The **quality of student life and development** offered by the faculty itself (social, sport, integrated development and community engagement);

The **great reputation** enjoyed by our students and graduate teachers who are commended to us by schools throughout the country.

Calculation of APS Score

APS Score: The results obtained in six 20 credit NSC subjects are used in computation of the APS score. Life Orientation is excluded. A Minimum score of 26 is required.

Duration: Minimum of 4 Years

Please note that, owing to specific capacity constraints, the University reserves the right to select candidates for admission to certain fields of study. This means that prospective students who comply with the minimum requirements may not necessarily be admitted to the courses in question. Because of the capacity limitations and the high demand from students for admission to particular fields of study, students will be selected on the basis of their scholastic achievements for admission to these fields.

NSC Level	APS score
8 - (90-100%)	8
7 - (80-89%)	7
6 - (70-79%)	6
5 - (60-69%)	5
4 - (50-59%)	4
3 - (40-49%)	3
2 - (30-39%)	2
1 - (0-29%)	1
