Post-graduate Diploma in Management (PGDM)

INTRODUCTION

North-West University Business School's Post-graduate Diploma in Management: *Empowering the Next Generation of Leaders in Africa*

In today's fast-paced, constantly evolving business world, effective management is the key to success. To navigate the complex challenges this environment poses, professionals need a robust and dynamic understanding of management principles. At the North-West University (NWU) Business School, we offer the perfect solution: our Post-graduate Diploma in Management (PGDM), a course designed to equip professionals with advanced academic, theoretical and practical management skills.

Our PGDM programme is highly respected, with accreditations from the Higher Education Quality Council (HEQC) in South Africa, the Association of African Business Schools (AABS) and the London-based Business Graduates Association (BGA). These accreditations underline our commitment to quality and our standing in the sphere of global education.

At the NWU Business School, we have a proud history of delivering capable graduates, who contribute meaningfully to social and economic growth in Southern Africa. With this PGDM, we aim to continue this tradition by developing the strategic leadership potential of business managers. We blend theory and practice, ensuring you can immediately apply your learning to real-world situations.

This programme takes a holistic view of management, enhancing your ability to think broadly and bridge gaps between theories and the actual practice of effective management. We cover a diverse range of business disciplines and focus on ethical leadership, responsible management and sustainability.

Our graduates emerge with a well-rounded understanding of responsible business management and the ability to solve problems related to sustainable organisations. They also gain the ability to integrate knowledge, handle complexity, reflect on social and ethical responsibilities, engage and communicate with various stakeholders, and present their knowledge and findings convincingly.

We invite you to join the NWU Business School and embark on this exciting journey to enhance your management capabilities and propel your career forward. With our Post-graduate Diploma in Management, a world of opportunity awaits.

***Welcome to the NWU Business School,
where academic excellence meets
practical experience, and where we
Shape Executive Minds in Africa!***

Why should I enrol for a PGDM qualification?

The Post-graduate Diploma in Management offered by the NWU Business School represents a unique opportunity for personal and professional growth. Here are some key reasons why enrolling in this programme can be beneficial:

- 1. INTERNATIONAL RECOGNITION:** Our PGDM programme is accredited by the Higher Education Quality Council (HEQC) in South Africa, the Association of African Business Schools (AABS), and the London-based Business Graduates Association (BGA). This international recognition boosts the value of your qualification and opens doors to global opportunities.
- 2. ENHANCED MANAGERIAL SKILLS:** The programme's coursework is designed to deepen your understanding of core management principles, sharpen your problem-solving skills and develop your capacity to integrate complex information. These skills empower you to more effectively handle advanced managerial roles.
- 3. ETHICAL AND RESPONSIBLE LEADERSHIP:** The course content integrates ethics and responsible management. This approach equips you to lead sustainably and responsibly - qualities increasingly sought after in the modern business world.
- 4. THEORY AND PRACTICE ALIGNMENT:** Our teaching methodology emphasises bridging the gap between theoretical knowledge and practical application, preparing you to navigate real-world business challenges efficiently.

5. COMPREHENSIVE UNDERSTANDING: The programme's multi-disciplinary approach provides a broad perspective of various business disciplines, enabling you to understand and manage the interconnected dynamics of a business environment.

6. NETWORKING OPPORTUNITIES: Being part of the NWU Business School gives you access to a network of accomplished peers, industry leaders and alumni. These connections can lead to collaborative opportunities and potentially open doors to new career paths.

7. CAREER ADVANCEMENT: A Post-graduate Diploma in Management can catalyse your career, improving your prospects for senior management roles and giving you an edge in the competitive job market.

8. LIFELONG LEARNING: This programme fosters an attitude of lifelong learning, a critical attribute in today's rapidly changing business environment. You'll leave with a strong foundation for continued professional development and the ability to adapt to future business trends and challenges.

9. PROVEN CONTRIBUTION: Our graduates are making significant contributions to social and economic growth in Southern Africa, and you could join their ranks, applying your learned skills to make an impact in your field.

Enrolling in the NWU Business School's PGDM in Management will empower you with the knowledge, skills, and mindset to lead successfully and make a difference in today's complex business world.

Why complete my PGDM @ the NWU Business School?

The North-West University (NWU) Business School is a hub for academic excellence and innovation in management education. *Here's why you should choose the NWU Business School, at which to complete your Post-graduate Diploma in Management:*

1

SMALL BUSINESS AND ENTREPRENEURIAL FOCUS: Our programmes are designed with an understanding of the unique needs and challenges of the small business sector, particularly within a developing country context. This focus prepares you to drive growth and innovation in small- and medium-sized enterprises.

2

STRATEGIC AND CRITICAL THINKING: Our curriculum emphasises strategic and critical thinking skills. We complement your academic learning with personal coaching, leadership programmes and thought leadership events, such as Pitsos, ThinkTanks and Road Shows, featuring prominent speakers from various industries.

3

COMMITMENT TO AFRICAN DEVELOPMENT: Our focus on local challenges and opportunities reflects our commitment to Africa's development. By incorporating global debates and learning from international best practices, we ensure our students can contribute meaningfully on both local and global stages.

4

ECONOMIC RECOVERY POST-PANDEMIC: In the wake of the pandemic, our programmes significantly emphasise the country's economic recovery. We actively work towards finding solutions for issues related to corruption and integrity studies, equipping our students to be agents of positive change in their professional lives.

5

COMMUNITY SERVICE AND SOCIAL IMPACT: We are deeply committed to community service and, over the last seven years, we have assisted more than 250 organisations with sustainable management skills and systems. Our service-learning initiatives empower you to make a real-world impact while applying what you've learned.

6

INTEGRATION OF LEARNING CONTENT: Our programmes strongly focus on integrating learning content into a single cross-functional application in the capstone Company Project. This approach ensures that you graduate with a comprehensive understanding of how different business disciplines work together.

7

EMPHASIS ON ENTREPRENEURSHIP: The NWU Business School recognises the potential of entrepreneurship to drive economic growth, particularly in a developing country context. Our programmes have a strong entrepreneurial focus, equipping you with the knowledge and skills to successfully start and manage your business.

In essence, programmes at the NWU Business School are designed to provide you with a holistic management education that is informed by current issues, rooted in real-world application, and driven by a commitment to social impact and sustainable growth. We invite you to join us and take the next step in your management career

ACCESS TO TECHNOLOGY AT NWU BUSINESS SCHOOL

At NWU Business School, we leverage our eFund platform to create a dynamic, interactive learning environment. This platform provides course materials, formative and summative assessments (including online tests and quizzes), and opportunities for discussion. Consistent internet access is vital for your educational journey with us.

Our course materials often link to additional resources such as downloadable documents, external websites, and videos. Reliable internet access is not just important but essential for efficient communication, learning, and academic success.

You will need continuous online access to study, engage with provided resources, complete individual or group activities, submit assignments, and receive feedback. Additionally, we conduct summative assessments (exams) and selected formative assessments remotely using an online proctoring tool. For these remotely proctored exams, you need to have your own device (laptop, Mac, or desktop) with a stable internet connection.

Furthermore, to foster a more interactive and engaging learning environment, we've implemented a camera-on policy during our synchronous online sessions. This means you will also need a webcam and microphone to participate in these sessions.

MINIMUM REQUIREMENTS FOR ONLINE PARTICIPATION

To successfully participate in your program, you should have:

- Reliable broadband (high-speed) internet access.
